Experience to make pizza

You can make your own pizza by choosing your own toppings, such as sausages, tomatoes, apples, and potatoes.

You can make original pizza in an outside oven.

Experience to make Oyaki.

Oyaki is a dish made by dissolving wheat flour in water or hot water, stretching it into a thin skin, wrapping it with seasonal ingredients such as bean paste and vegetables, and baking it. You can add whatever you like to the dough, bake it, and eat it.

Experience to Chop Firewoods

You can experience chopping the firewoods used to make a pizza. It's an experience that you don't usually have, so it will be a good memory.
